**Busiest Men In Country Find Time
to Go to Church. Do You?**

NO man is too busy, no man's time so precious, that he cannot
afford to spend a small part of one day in seven in the house
of God.

Don't lie in bed on the Sabbath morn. The church services
are not at an early hour. Six days in the week a man will rush for
the office to be in time for business. That is all right. He should
be prompt in his business duties. He should also be prompt in his
business with God. It is true that this is a rush age. But the big-
gest men in the country, the men whose services are worth as
much in an hour as the ordinary man's are in a day, may be seen
for an hour and more every Sabbath in church. These men find
time to GO TO CHURCH. They realize the seriousness of their
obligation. They are not shirkers. They do not consider it a sign
of weakness to be seen in church. They want to be seen there.
All honor to these men.

WHEN YOU HEAR A MAN SAY THAT HE IS TOO BUSY TO GO
CHURCH REASON WITH HIM. RECALL TO HIM THAT THE BUS-
IEST MEN IN THE COUNTRY MANAGE TO FIND TIME FOR DI-
VINE WORSHIP. IF YOU ARE HEALTHY AND PROSPEROUS GO
TO CHURCH AND THANK GOD FOR HIS BLESSINGS. IF YOU ARE
ILL AND IN WANT GO TO CHURCH AND PRAY TO GOD THAT
YOUR CONDITION MAY BE IMPROVED. AND THAT REMINDS US
HOW READY SOME PEOPLE ARE TO FORGET GOD AND HIS
BLESSINGS WHEN THINGS ARE COMING THEIR WAY. IT IS
ONLY WHEN MISFORTUNE COMES THAT THEY TURN TO GOD
AND THE CHURCHES. THEN THEY NEED GOD AND THE CON-
SOLATION THAT THE CHURCH AFFORDS.

But, while God is merciful, he also is just. If, when people
are prosperous and happy, they do not find time to visit the house
of God it is not just that God should pour out his blessings and
graces to them when misfortune comes.

Don't make the specious plea that you're too busy to GO TO
CHURCH.

GO TO CHURCH next Sunday and every Sunday.

**Use Water Glass to Preserve
Eggs.—U. S. Government.**

The Government is sending out urgent appeals to whoever
has a surplus of eggs or can secure them, to preserve every
available egg. Druggists everywhere are urged to keep
on hand a stock of "Water Glass" (sodium silicate) and to
co-operate with the Food Administration in furthering its
use. The very best argument, other than the support due
our government, is the memory of the scarcity and prohibi-
tive prices of eggs last fall and winter.

We have the water glass, with full instructions for its use
as recommended by the Government on each bottle. The
price is reasonable—30c per pint.
